Share Your Love of Music!

The Albany Fund for Education is collecting musical instruments to put in the hands of Albany's students. All donated instruments will be refurbished and restored to playing condition before given to a child.

Recycle a Musical Instrument You No Longer Need!

New and used instruments (with the exception of pianos and organs) will be gratefully accepted. We especially need student-sized band and orchestra instruments.

You can drop off your instrument during the school year at Hackett Middle School c/o Ed Newell, Band Instructor. OR call 518- 207 5572 or email AlbanyAFE@aol.com and we will pick up your instrument.

The Albany Fund for Education is a registered 501-c3 nonprofit organization and your donation will qualify for a tax deduction. Please provide your name and address so we can send a letter thanking you and acknowledging your donation for tax purposes.

(Please note: If you want to purchase an instrument for a student's use or donate funds to refurbish one, please call 518-207 5572 to talk about how you can help. You can also make a donation specifically targeted to the music program on our website at www.TheAlbanyFundforEducation.org.)

Give an invaluable gift today!

This project is supported by a generous contribution from Aimee Allaud, a supporter of music in our schools, the Stewart's Shops, John Keal Music, and the Albany Fund for Education.
